We, LIAF CONTROL SRL, certify having supervised the loading of the inspection item, above mentioned, verifying condition of cleanliness of compartments on the date and time of inspection according to GAFTA Approved Register for Superintendents: Code of practice (Version 3.0 December 2021, Effective from 1 January 2022).

Condition: Before loading we visually inspected the cleanliness condition of containers, same were found clean, dry, empty and free of abnormal odors, live insects, loose rust, paint or other materials that could contaminate the cargo. We also visually verified at the time of our inspection that the container doors were properly closed. We conclude that the containers are suitable to receive the cargo and to transport the above mentioned product.
